

CONTAINERIZED
**COLD
STORAGES**

CONTAINERIZED COLD STORAGEES

Cold Serie (0 °C / +4 °C)

Frost Serie (-18 °C / -23 °C)

Double Serie (+5 °C / -23 °C)

Termodizayn containerized cold storages gives you many advantages because it is portable, you can place or move them where ever you want or you can even rent.

Assembly and dismantling of the isolation panels of stationary cold storages can be quite expensive. The panels will possibly be damaged with multiple disassemblies.

That is why many facilities and especially fishing companies prefer portable containerized cold storages.

Termodizayn mobile containers are in accordance with the international standards for truck transportation. Production of special sizes are also possible for overseas transportation.

Cold room door width may vary between 90cm and 130cm. Surface material is made of PVC coated galvanised metal sheets and optionally stainless steel. It can operate smoothly even in the desert type tropical conditions. Compressors are picked among world wide known brands.

| Model Name | Temperature Range | Cooling Capacity | Compressor Type | Compressor Power | Chassis |
|--------------|-------------------------|------------------|-----------------|------------------|--------------------------|
| RFR40-2R | (0 / +4) / (-18/-25) °C | 4900 / 3550 watt | Hermetic | 2,5 / 5 HP | Containerized (40ft) |
| RFR10-COLD | 0 °C / +4 °C | 2100 watt | Hermetic | 1,1 HP | Containerized (10ft) |
| RFR20-COLD | 0 °C / +4 °C | 3900 watt | Hermetic | 2 HP | Containerized (20ft) |
| RFR30-COLD | 0 °C / +4 °C | 5100 watt | Hermetic | 2,5 HP | Containerized (30ft Spc) |
| RFR40-COLD | 0 °C / +4 °C | 7700 watt | Hermetic | 4,5 HP | Containerized (40ft) |
| RFR10-FROST | -18 °C / -23 °C | 2000 watt | Hermetic | 2 HP | Containerized (10ft) |
| RFR20-FROST | -18 °C / -23 °C | 3200 watt | Hermetic | 3 HP | Containerized (20ft) |
| RFR30-FROST | -18 °C / -23 °C | 3550 watt | Hermetic | 4 HP | Containerized (30ft Spc) |
| RFR40-FROST | -18 °C / -23 °C | 5600 watt | Hermetic | 7 HP | Containerized (40ft) |
| RFR10-DOUBLE | +5 °C / -23 °C | 2000 watt | Hermetic | 2 HP | Containerized (10ft) |
| RFR20-DOUBLE | +5 °C / -23 °C | 3200 watt | Hermetic | 3 HP | Containerized (20ft) |
| RFR30-DOUBLE | +5 °C / -23 °C | 3550 watt | Hermetic | 4 HP | Containerized (30ft Spc) |
| RFR40-DOUBLE | +5 °C / -23 °C | 5600 watt | Hermetic | 7 HP | Containerized (40ft) |
